Page: Plan Moving - Beta Movers Kenya

Planning ahead for your move will make it less stressful and a more positive experience. Although this is not always possible, here are a few tips and techniques to make your move easier.

1. GETTING READY

Find out exactly what you want your movers to do, we offer services including:

Whether your looking to have us fully pack and move your home or just move the heavy furniture, we can help.

1. CALL US

Give us a call! We can give you a Quck quote based on a list of your items (only takes about 10-15 minutes), or we can give you a rough quote based on the average home or office of your size.

1. GET QUOTE

Your quote will be based on the items being moved, distance between your curent location and destination and manpower needed.

1. PREPARE FOR YOUR MOVE

For your move you can do as little or as much as you want. Having the items arranged ready for movement or having us arrange and pack the items on the truck, Offloading and Packing them at the new premises. At this point you can take a back seat as we do the work we do best.
