Moving your home can be an expensive and frustrating experience. Most moving companies are only

interested in finishing your job and moving on to the next – and do-it-yourself movers often learn stiff lessons

in rental fees, fuel costs and expensive moving supplies. Customers want a safe and secure move at a

reasonable price – especially when it comes to moving their families. Meeting these demands with utmost

courtesy, a wide selection of services and unparalleled professionalism is how Touch Movers has established

its reputation as one of the most respected and recommended relocations companies from Kenya.

Whether you're moving the contents of an apartment, house or mansion, Touch Movers treats your most

valuable possessions with the same care and respect. Contact one of our personal certified moving consultants

today, get an instant free estimate and start customizing a tailor-made plan for the least-stressful move of your

entire life. From packing to unpacking, from home to home will lighten your load.

We specialize in corporate relocation, long distance and residential moving. We understand that you have

more to worry about than the physical move. Let a reputable moving company like Touch Movers help you

relieve some of that stress.

Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered

the undoubtable source. Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a

piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin

professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin

words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical

literature, discovered the undoubtable source.

We specialize in corporate relocation, long distance and residential moving. We understand that you have

more to worry about than the physical move. Let a reputable moving company like Touch Movers help you

relieve some of that stress.
